DECLARATION AND POWER OF ATTORNEY

As the below named inventors, we hereby declare that:

Our residences, post office addresses and citizenships are as stated below next to our names.

We believe that we are the original, first and joint inventors of the subject matter which is claimed and for which a patent is sought on the invention entitled ELECTROSURGICAL BIOPSY DEVICE AND METHOD, the specification of which was filed on September 23, 1998, and assigned Serial No. 09/159,467, and which is a continuation in part of US Patent Application Serial No. 09/057,303 which was filed on April 3, 1998 which is as Non-Provisional of US Provisional Patent Application Serial No. 60/076,973 which was filed March 3, 1998.

We hereby state that we have reviewed and understand the contents of the above-identified specification, including the claims, as amended by or any amendment(s) referred to above.

We acknowledge the duty to disclose information which is material to the examination of this application in accordance with Title 37, Code of Federal Regulations, §1.56(a).

We hereby claim foreign priority benefits under Title 35, United States Code §119 of any foreign application(s) for patent or inventor's certificate listed below and have also identified below any foreign application for patent or inventor's certificate having a filing date before that of the application on which priority is claimed:

Prior Foreign Application(s) None

We hereby claim the benefit under Title 35, United States Code, §120 of any United States application(s) listed below and, insofar as the subject matter of each of the claims of this application is not disclosed in the prior United States application in the manner provided by the first paragraph of Title 35, United States Code, §112, we acknowledge the duty to disclose material information as defined in Title 37, Code of Federal Regulations, §1.56(a) which occurred between the filing date of the prior application and the national or PCT international filing date of this application:

Serial No. 60/076,973

Filing Date: March 3, 1998

Serial No. 09/057,303

Filing Date: April 3, 1998

We hereby declare that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine

or imprisonment, or both, under §1001 of Title 18 of the United States Code and that such willful false statements may jeopardize the validity of the application or any patent issued thereon.

We hereby appoint the following attorneys to prosecute this application and to transact all business in the United States Patent and Trademark Office connected therewith:

ASSIGNMENT

WHEREAS, Fred H. BURBANK, Paul LUBOCK, Michael L. JONES and Richard L. QUICK, all Citizens of the United States of America, residing at 30982 Steeplechase drive, San Juan Capistrano, California 92675; 30 Bethany, Laguna Niguel, California 92677; 34441 Camino El Molino, Capistrano Beach, California 92624; and 32181 Fall River Road, Trabuco Canyon, California 92679, United States of America, respectively (hereinafter referred to as **ASSIGNORS**), has invented and own a certain invention entitled: **ELECTROSURGICAL BIOPSY DEVICE AND METHOD** for which application for Letters Patent of the United States was executed on even date herewith.

WHEREAS, SenoRx Inc., a Delaware corporation, having a place of business at 13677 Alton Parkway, Suite 144, Irvine, California 92618, United States of America (hereinafter referred to as **ASSIGNEE**), is desirous of acquiring the entire interest in, to and under said invention and in, to and under Letters Patent or similar legal protection to be obtained therefore in the United States and in any and all foreign countries.

NOW, THEREFORE, TO ALL WHOM IT MAY CONCERN: Be it known that in consideration of the payment by **ASSIGNEE** to **ASSIGNORS** of the sum of One Dollar (\$1.00), the receipt of which is hereby acknowledged, and for other good and valuable consideration, **ASSIGNORS** hereby sell, assign and transfer to **ASSIGNEE** the full and exclusive right, title and interest to said invention in the United States and its territorial possessions and in the foreign countries and to all Letters Patent or similar legal protection in the United States and its territorial possessions and in any and all foreign countries to be obtained for said invention by said application or any continuation, continuation-in-part, division, renewal, substitute or reissue thereof or any legal equivalent thereof in any foreign country for the full term or terms for which the same may be granted, and all rights of priority under International Conventions and applications for Letters Patent which may hereafter be filed for said invention in any country or countries foreign to the United States, and all Letters Patent which may be granted for said invention in any country or countries foreign to the United States and all extensions, renewals, and reissues thereof; and **ASSIGNORS** hereby authorize and request the Commissioner of Patents of the United States, and any Official of any country or countries foreign to the United States, whose duty it is to issue patents on applications as aforesaid, to issue all Letters Patent for said invention to **ASSIGNEE**.

ASSIGNORS hereby covenant that no assignment, sale, agreement or encumbrance has been or will be made or entered into which would conflict with this assignment and sale;

ASSIGNORS further covenant that **ASSIGNEE** will, upon its request, be provided promptly with all pertinent facts and documents relating to said application, said invention and said Letters Patent and legal equivalents in foreign countries as may be

known and accessible to ASSIGNORS and will testify as to the same in any interference or litigation related thereto and will promptly execute and deliver to ASSIGNEE or its legal representative any and all papers, instruments or affidavits required to apply for, obtain, maintain, issue and enforce said application, said invention and said Letters Patent and said equivalents thereof in the United States of America and in any foreign country which may be necessary or desirable to carry out the purposes thereof.
